

SYSTEMATIX, INC.

Deluxe Task Lights D/ST Series

If a majority of sensory experience is visual, why not make it more pleasant with task lighting.

- T8 Tri-Phosphor Lamps 3500k, considered an ideal color “temperature”, as it offers good neutral color quality without imparting either a warm or cool atmosphere
- Rapid start electronic ballast
- 9’ cord with right-hand exit and body is standard black (custom colors are available)
- Prismatic acrylic lens
- High gloss UV reflector
- UL and CUL listed
- Standard mounting hardware (specify shelf depth, composition and furniture system)
